

Permission to Drive for Community Action Project

I give my permission for my son/daughter _____ to drive to their appointed Community Action project location. I also (circle one) do/do not give permission for my son/daughter to transport another student, _____, with him/her throughout the same time period. I acknowledge that my son/daughter has a valid driver's license and carries acceptable and adequate insurance coverage for his/her car and any passengers he/she has my permission to transport. I acknowledge that The Sage School cannot be held liable for my son/daughter's actions during his/her Independent Study. I therefore hereby release, hold harmless, and indemnify The Sage School and its officers, Board of Directors, agents and staff including employees, and volunteers from any legal claims, damages, and liabilities, including injury or death, arising in whole or part from my son/daughter's participation in their Community Action, including driving to or from the designated location. This Permission will be considered an addendum to the Assumption of Risk and Agreements of Release and Indemnity, which I signed at the beginning of the school year. As the parent, I have the right to refuse permission for my son/daughter to drive to the Community Action location during inclement weather. In that case, I shall make sure that an alternative method of transportation is provided (bus, parent driving, etc).
