

## Permission to Ride with Another Student During Community Action

I give my permission for my son/daughter \_\_\_\_\_ to ride as a passenger with another student, \_\_\_\_\_, to his/her appointed Community Action project location. I understand that the driver is required to have a valid driver's license and carry acceptable and adequate insurance coverage for his/her car and passengers. I acknowledge that The Sage School cannot be held liable for my son/daughter's or another student's actions during his/her participation in the Community Action project. I therefore hereby release, hold harmless, and indemnify The Sage School and its officers, Board of Directors, agents and staff including employees, and volunteers from any legal claims, damages, and liabilities, including injury or death, arising in whole or part from my son/daughter's participation in his/her Community Action, including driving to or from the designated location. This will be considered an addendum to the Assumption of Risk and Agreements of Release and Indemnity of which I signed at the beginning of the school year. As the parent, I have the right to refuse permission for my son/daughter to drive with another student to the Community Action location during inclement weather. In that case, I shall make sure that an alternative method of transportation is provided (bus, parent driving, etc).
