**SAGE SCHOOL**  
EXPERIENCE YOUR EDUCATION

## Spaces Available for Rent

The Sage School is proud to offer spaces for public use as part of our effort to be a resource for the local Hailey and greater Wood River Valley community. While our event barn and campus spaces are available to the general public, school, and mission-related uses retain priority, followed by other nonprofit and/or educational uses. We want to share the mission and vision of the school so renters can better understand our role within the community:

*We honor adolescence as a critical developmental window for learning essential academic, cognitive, social, and emotional skills.*

*The Sage School creates a thriving environment for students through a challenging, authentic curriculum, centered on human ecology and engaging experiences designed specifically to reness, community responsibility, and a sense of place.*

Please contact Matt Leidecker ([matt@thesageschool.org](mailto:matt@thesageschool.org) or 208-720-4712) for questions and to schedule your rental.
