

Permission to Participate in the 6/7 2018 Fall Field Studies

I/we, _____ voluntarily give my/our permission for _____ (student) to participate in the 6/7 Fall Field Studies trip to College of Southern Idaho (CSI) for an Outdoor Challenge Course (<https://www.csi.edu/recreation-center/challenge-course/outdoor.aspx>) and to City of Rocks (near Oakley, Idaho) for a guided rock climbing trip and camping. This trip entails traveling by vehicles including The Sage School bus and rental vehicles and camping.

I understand that The Sage School will be working with CSI and Sawtooth Mountain Guides to provide some of the programming for the 6/7 Fall Field Studies Trip. Separate waivers from these entities have been provided.

The activities of this trip, including all modes of transportation, will include exposure to risks, including inherent risks associated with each specific activity as outlined in the trip itinerary provided to me. The following describes some, but not all of the potential risks associated with this trip: traveling in vehicles and the potential for traffic-related accidents; hazards associated with camping, including those that may arise from inclement weather, encounters with wild animals, stings and bites, sunburn, etc; hazards associated with swimming, and hazards associated with the guided activities offered during the trip, including falling hazards. As with any outdoor activity of this nature, students may be injured in a variety of unforeseen ways from climbing, playing, running, etc. We understand that this list is not complete and these and other unknown or unanticipated risks, inherent and otherwise, may result in injury or death.

I affirm that I voluntarily choose to assume all risk involved in the participation by my child in the aforementioned activity. I hereby release, discharge and forever hold harmless The Sage School, their successors and assigns, employees and agents and volunteers from any and all actions, cause(s) of action, law suits, claims, damages or demands of any kind or nature, costs, expenses, whether known or unknown, either in law or in equity, arising out of or connected with the 6/7 2018 Fall Field Studies Trip whatsoever accruing as a result of personal injuries, death or property loss sustained by me, my spouse or minor children as a consequence of said participation in the activity [except those that may arise as a result of willful, wanton, or reckless conduct by either that would add unwarranted danger to my child's participation in this activity.] I have read the foregoing, understand it and assume all risk.

I also understand and agree that this course is an activity covered under The Sage School's *Assumption of Risk and Agreements of Release of Indemnity*, which I have duly signed.
