

**Permission to Drive for a School Project**

I give my permission for my son/daughter \_\_\_\_\_  
to drive to their appointed Human Ecology project location. I also (circle  
one) **do/do not** give permission for my son/daughter to transport another  
student, \_\_\_\_\_, with him/her throughout the  
same time period. I acknowledge that my son/daughter has a valid driver's  
license and carries acceptable and adequate insurance coverage for his/her  
car and any passengers he/she has my permission to transport. I  
acknowledge that The Sage School cannot be held liable for my  
son/daughter's actions during his/her off-campus project. I therefore hereby  
release, hold harmless, and indemnify The Sage School and its officers,  
Board of Directors, agents and staff including employees, and volunteers  
from any legal claims, damages, and liabilities, including injury or death,  
arising in whole or part from my son/daughter's participation in their  
project, including driving to or from the designated location. This  
Permission will be considered an addendum to the Assumption of Risk and  
Agreements of Release and Indemnity, which I signed at the beginning of  
the school year. As the parent, I have the right to refuse permission for my  
son/daughter to drive to the project location during inclement weather or  
for any other reason. In that case, I shall make sure that an alternative  
method of transportation is provided (bus, parent driving, etc).
