I, _____, have read and discussed The Sage School Acceptable Use Policy with my child, _____. I agree with the Acceptable Use Policy in both letter and spirit and understand and accept that violations of the Policy may result in the revocation of my child's network privileges and/or the institution of disciplinary action, which may include expulsion from The Sage School. I also acknowledge and accept that there is content on the internet which I and/or The Sage School would find objectionable. Even with appropriate precautions in place, I understand and agree that it is inevitable that my child will encounter objectionable material on the internet from time to time while researching school assignments and/or following his/her own interests or pursuits. I completely exonerate and hold The Sage School harmless from any and all liability should my child encounter material which he/she or I may find objectionable on the internet.
